Subject: Weekly DPH briefing 20180625 --- HPNS

Dear Sup. Cohen,

Attached is our concise weekly update regarding activities at the HPNS.

Ms. Amy Brownell, the SFDPH environmental engineer, compiles the update.

If you have technical inquiries, please send them directly to Ms. Brownell so that she can integrate a draft response into the weekly update.

We welcome feedback on how we can improve our updates.

Thank you for your commitment to protecting the public's health.

With gratitude,

Tomas
